

THE AUSTRALIAN CONSERVATOIRE OF BALLET

CLASSICAL BALLET TRAINING & ASSESSMENT PROGRAM SEMINAR

"...here was a Melbourne ballet school on an admirable pedagogic mission.."

"Former Australian Ballet principal artist Christine Walsh directs the Australian Conservatoire of Ballet using the Vaganova teaching method, and the Russian classical influence was clear in this program ...precisely defined technical and expressive components outlined in the Vaganovan logic."

The Australian, August 2009

Learn the Australian Conservatoire of Ballet classical ballet training and assessment program based on the Russian Vaganova method and gain an understanding of this world renowned method
